

Natalia Baudin

ESC Consultant Since: 2018

Education:

B.S., University of West Georgia

Certificate in Public Relations, University of California, Los Angeles

Grant Writing Institute, University of Southern California

Social Enterprise Academy, University of California, Los Angeles

AREAS OF EXPERTISE: Outreach, public relations, marketing and legislative affairs

PRIVATE SECTOR AND GOVERNMENT EXPERIENCE: Natalia was recruited by the South Coast Air Quality Management District to develop and implement two community-based outreach programs, the Small Business Assistance Program and Environmental Justice Program. She was instrumental in the development of the AQMD's community outreach program that serves over 14 million Southern Californians. She also has experience in Legislative Affairs working with local and State government. Natalia has broad experience in the area of communications. She started her career as a disc jockey and later National Promotions Director and Operations Manager for several communication companies.

NONPROFIT VOLUNTEER EXPERIENCE: Natalia is an active board member of New Environmental Leaders of America. She is Secretary of the Inland Empire Branch of the National Association of University Women. She serves as Coordinator for the Los Angeles Network of the University of West Georgia Alumni Association. Natalia is a member of Alpha Kappa Alpha Sorority, Inc.

INTERESTS: Nature, the environment and European football
