

Sammy Feuerlicht

ESC Consultant Since: 2019

Education:

M.P.H., Hospital Administration, University of California, Berkeley

B.S., Public Health, University of California, Los Angeles

AREAS OF EXPERTISE: Strategic planning, community needs assessment, program development and implementation, institutional affiliations, project management, community outreach and public relations, retreat facilitation

HEALTHCARE AND NONPROFIT PROFESSIONAL EXPERIENCE: Sammy's career in health care administration spans over 40 years, the majority of that time helping nonprofit organizations navigate complex competitive and legislative landscapes through the development of sound business strategies. He is currently Vice President and Chief Strategy Officer for Good Samaritan Hospital. Among his most recent accomplishments has been the development of affiliations with both UCLA and USC to create medical centers of excellence, including one of the busiest stroke centers in the state.

His other positions in the nonprofit sector include executive-level strategic planning and business development roles at California Medical Center and Kaiser Permanente Health Plan.

PRIVATE SECTOR AND HIGHER EDUCATION EXPERIENCE: In addition to running his own consulting practice, Sammy was a director in the Business and Strategy Support Group at American Medical International, where he developed strategic plans for hospitals across the country. Sammy previously served as a recurrent Guest Lecturer in the Department of Healthcare Administration at California State University, Long Beach.

NONPROFIT VOLUNTEER EXPERIENCE: Most recently, Sammy was a board member of the Los Angeles County Bicycle Coalition, a grassroots agency committed to making communities bicycle-safe and friendly.

EXAMPLES OF ESC CLIENTS: St. Barnabas Senior Services

INTERESTS: Bicycling, beer making, square foot gardening, California wines
