

Theresa Murphy

ESC Consultant Since: 2014

Education:

M.A., Healthcare Administration, California State University, Long Beach

B.A., Nursing, California State University, Long Beach

B.A., LeMoyne College of Religious Studies, California State University, Los Angeles

Certified in Executive Nursing Practice (CENP), American Organization of Nurse Executives

AREAS OF EXPERTISE: Coaching and developing emerging leaders

HEALTHCARE EXPERIENCE: Theresa has over 20 years of experience in the healthcare field. In addition to clinical practice as a Registered Nurse, Theresa has served several hospital organizations in managerial and executive level positions and currently serves as the Chief Nursing Officer at USC Verdugo Hills Hospital. Theresa has broad experience in managing and leading people. Throughout her executive service, Theresa has lead complex operational processes, facilitated change initiatives and developed functional teams.

NONPROFIT PROFESSIONAL EXPERIENCE: Prior to becoming a Registered Nurse, Theresa served six years as a Franciscan Sister in Syracuse, New York where she was the Director of Religious Education for an inner city parish community.

NONPROFIT VOLUNTEER EXPERIENCE: Theresa's experience in the nonprofit environment includes volunteering in service centers for the homeless, including meal centers and shelters; parish services; as a student worker for Students with Disabilities, and as a volunteer for community service organizations for women.

EXAMPLES OF ESC CLIENTS: Down Syndrome Foundation of Orange County, Pasadena Jewish Temple and Center

INTERESTS: Traveling abroad, spending time with family, hiking, food, art
